

Making Easter About Jesus

Supply List... for ten days of focusing little (& big) hearts and minds on Him.

Please don't get bogged down by this list! It looks long because it's an exhaustive list if you did every single activity for each day, but mostly everything can be found in your art supply cabinet or pantry (& with some recycled or dollar store plastic Easter eggs). And almost everything (with the exception of the baking supplies on day 7) is interchangeable. If you don't have one of the suggested items- get creative and find something you already have in your home. So, if you don't have a gold Easter egg, use a yellow one... if you don't have a jar, use a vase... if you don't have grape juice, use purple water, etc. Use it as a guide for [making your Easter about Jesus](#).

And, if you don't have time for all of the activities, that's just fine!! **The goal is to lead our kids to Jesus by helping them get to know the Good News!** ☺

Every day you will need a Bible, Bible Storybook, and/or a way to listen to episodes from [The Kidz Audio Bible](#).
